AN EVENT OF THE JASON TAYLOR FOUNDATION BENEFITING CHILDREN BATTLING CANCER AND OTHER PEDIATRIC MEDICAL EMERGENCIES

WHIFFLE BLAST 2022

WHAT IS WHIFFLE BLAST?

The **Jason Taylor Foundation** is at it again, this time with a brand new twist on a game we all grew up with.

On **Saturday, January 29, 2022**, the JTF will host the **5th annual Whiffle Blast presented by Sports Chiropractic and Natural Health Solutions**, providing safe and healthy fun for old and young alike. A field of 35 teams will step on the mini-diamond at **Pine Trails Park in Parkland, Florida** to participate in a friendly tournament celebrating one of America's favorite "back-yard" games, while raising funds to support South Florida's children in need. **Proceeds raised from Whiffle Blast will benefit children battling cancer and pediatric emergencies through the Jason Taylor Foundation.**

Running concurrently with the Whiffle Blast tournament main event, participants will have the opportunity to compete in the **Home Run Derby** during which sluggers are encouraged to take their swings at earning the long ball crown. **Drawings** will be held throughout the day for memorabilia, gift certificates and many other special items. In addition to these participant based events, vendors will have the opportunity to present their company information and products during the **day-long trade show**. But the grownups won't have all the fun as the **Whiffle Blast KidZone** will provide interactive fun with crafts and activities that will keep the little ones engaged both mentally and physically. **Whiffle Blast promises fun for the whole family!**
